YOUR HARD WORK and financial support is GREATLY APPRECIATED!

To help us receipt all donors please print legibly the name, phone, email and home address of each donor. We need this info to account for each donation, thank them, and receipt them for their deductible gift!. Also, if they give cash and you write a check for the entire amount given, we are then able to receipt the individual donor. If someone asks to not be placed on our donor list, please note that next to their address (we still need it address to send a year-end receipt for their tax deductible gift). **Thanks for blessing, Rick**
